50 Over FIFTY – Honouree Profile

CBCF has writers who will capture your honouree’s story, however, a brief description of your honouree would be appreciated.

This is not a competition, rather a showcase of the extraordinary women we wish to honour!

Your comment could be as simple as “Because she’s my mother”.

Tell us her story.

- Describe your honouree, and your reason for choosing to celebrate her achievements at the 50 Over FIFTY celebration. How has she inspired, lead, motivated you; someone you know; your community?
- How has she, in her efforts made a difference?
- What makes her particularly outstanding and worthy of the 50 Over FIFTY honour for which you are nominating her.
- CBCF will require a digital photo of your honouree, if one is not available, CBCF will arrange to obtain one for you.
- Submit your nomination to:
